OK, hopefully the information below will answer any questions you have as regards membership.

1) How do I become a member of the Trust?

You can become a member either by joining online or by downloading and sending in an application form from this site. In future, we will also be available at Fratton Park and various pubs and establishments on match days with membership forms.

2) How much is membership?

Five pounds membership across the board, which will provide a 12 month membership.

3) How do I join online?

Firstly you will require a [Paypal](#) account, so, if you haven't got an account, go to the [Paypal](#) website (it's free) and register your details, you can then send money to us. Once you have a Paypal account, register on the home page of the Trust site, you will have a choice of either a recurring yearly membership or a single one-off year's membership. Put through the membership fee via your Paypal account and your membership will be confirmed.

4) I don't want to join online, can I join via mail?

Yes, you can. The membership form can be downloaded on this site, [by following this link](#) . Fill in the details and enclose a cheque for your membership fee. Details about who to make your cheque payable to, and where to send it, are included on the form.

5) What does membership provide?

You will get access to discussions as regards the Trust and it's involvement in projects and a say, as a fan, of whatever the Trust does. You will also be able to have an equal vote in Trust Board elections, and put yourself up for the Board as well. Your membership free will go straight towards Trust projects which, as mentioned, you will have a say in. This is your Trust.

6) I am having trouble registering!

Contact us through the contact form on the site and we'll take care of things.

Remember, it is a new site and a new Trust so there will, obviously, be things which come up in processes, but hopefully they'll be minimal if any crop up at all.
