Sorry for the late notice and hope you have a great Christmas. With games coming up against Ipswich and Charlton before going to Spurs things must be chiming at Fratton.

We look forward to welcoming your supporters back to St James Park. Below you should find all the information your travelling fans need to know from free hot drink offer, flags and drums to football and drinking. Please note that the two parts of the ground under refurbishment are now open. This includes the Away covered Terrace. Seats will be in the same area you used on your last visits, namely Blocks L & M of Selco BM Main Stand. I suspect all your tickets will quote Turnstile 5. Because of your huge following Gates 5 will be for standing tickets and Gates 6 for seated fans.

You will find most of the travelling information your supporters need on our website. In particular the away fans guide at www.exetercityfc.co.uk/guides/away-fans-guide. Let me know if the information is not easy to find. If there is anything else you need to know before the game please ask. Please note that the postcode for your directors, team/supporter buses is EX4 6PU which will take you direct to car park, away end and changing rooms.

I would be very interested to learn if you personally will be travelling to the game. If your mascot intends to travel please do not hesitate to let me know.

Fan engagement: prior to the match around 1;30 I will be looking for Pompey families to enter the ground early to have a “family” photo in the Away Dugout and at 2pm will invite a Blues volunteer to announce the Portsmouth team in our Fan Zone. In line with our reputation we are also keen to improve our service to visiting fans and will be asking a few to complete a short questionnaire on their experience.

We are keen to encourage an harmonious, friendly, family atmosphere at St James Park. For this reason St James Park is a no smoking (including vaping) stadium. As with all grounds and to comply with legislation the deployment of flares and other pyrotechnics inside the stadium cannot be tolerated.

Flags and Drums are permitted at the Park but may be restricted during capacity games. Visiting supporters are advised to contact customerservices@exetercityfc.co.uk to pre-arrange access for drums and/or flags. The Club will then advise on the latest position. Please note that drums are only acceptable in standing areas of the stadium. Flags and banners must be inoffensive, non-political and be supported by a valid fire certificate.

Any Families will receive a warm welcome in the Family Zone 90 minutes before kick off or at any time in the open air Fan Zone, (Thatchers’) patio bar or CentreSpot.

The Family Zone will provide a safe, comfortable environment for families to enjoy pre-match entertainment, such as a large screen TVs, video game consoles and table football, as well as the option to enjoy refreshments from the zone’s very own kiosk.

We will continue to deliver pristine condition programmes direct to coaches. Programmes cost £3 plus an optional £1 for a team sheet. Should this be of interest to programme collectors please ask your coach monitor to ring me on 07712 678 940 to place an order before noon on the match day. Please advise your supporters to purchase programmes outside the stadium to avoid disappointment.

Any supporters who need assistance will find our helpful Supporter Ambassadors dotted outside the Stadium.

CASH MACHINES

The nearest cash machine is 200 yards from the ground in Sidwell Street to the west and Coop to the east along Old Tiverton Road.

DISABILITY ISSUES

If there are any questions in general regarding disabled facilities or ticketing, our Disability Liaison Officer, Jeanne Jones, is contactable at disability@exetercityfc.co.uk or via reception on 01392 411243. I have attached the latest information leaflet. You can make this available to your fans. We now have a changing places room available should that be of interest to anyone.

WHEELCHAIR DISABLED FANS

We have 8 pairs of tickets in total for away wheelchair fans. There are 3 pairs in the covered away accessible bay (elevated area) in front of the away fans seated area. Prices here are a maximum of the concession price for this stand (£19 in advance) with the assistant free. Under 18s therefore pay £11 in

advance. There are 5 pairs in the away accessible bay (pitch level) in the corner of the away covered terrace. Again prices are a maximum of the concession price for this stand (£14 in advance) with the assistant free (under 18s £6 in advance).

AMBULANT DISABLED

These fans are charged the appropriate age related price and an assistant receives a free ticket.

Inside the ground and at long last the toilet facilities have been upgraded under the latest phase of our ground development.

SOCCER SIGHT

To access the in-stadium commentary, presented by experienced volunteers, visually impaired supporters can pick up a Soccer Sight kit from the home the club shop any time prior to kick-off. Fans are able to listen to Soccer Sight from any area within the ground, regardless of whether they are a home or away supporter. Our SoccerSight.service is available for supporters who have a vision impediment. Probably a bit dated as it was one of the originals set up.

There's a short description at <https://www.exetercityfc.co.uk/fans/soccer-sight>

Essentially, you can collect headsets on match day from our Club Shop and drop them back afterwards. If you ring beforehand Mike Cooper can be prepared and reserve a headset. No charge applies. 01392 411 243

CAUTION: Whilst of course trying to maintain a degree of impartiality, the commentary will have an Exeter City bias by nature!

The other alternative is that BBC Radio Devon has three frequencies for their station. One does dedicated live match commentary on ECFC. So radio and DAB is also a possibility.

PARKING

I regret that parking is very restricted. There is no spectator parking at the ground but we have 1 space for a visiting disabled fan. Please direct any request to main club reception on 01392 411243 or to reception@ecfc.co.uk. Being a City centre club drivers would be advised to arrive early or use Park & Ride at a cost of £* for up to 5 people.

Please note that the ground is in a residential area and resident parking schemes are widespread. Car drivers should head for local car parks as a matter of course. Again details are on the website or www.exeter.gov.uk/car-parking/car-parks/find-a-car-park.

Supporter coaches (and the away team bus) will return to the ground immediately before the end of the game. They will be positioned immediately outside the away terrace. Your club will have received a Matchday Information document from the Football Club detailing that "Visitor Parking: Team coach and supporter coaches can off load in St James Road. Coaches will need to park in either of the City Council coach parking facilities":

Haven Banks Coach Park - Michael Browning Way, Exeter EX2 8DP Tel: 01392 665901

Monday - Sunday including bank holidays: 8am-6pm

Please note: Haven Banks is locked from 8pm until 7am. £5 per coach

Matford Livestock Centre = Parking must be booked in advance on 01392 265480. There will be a charge of £10 for the parking.

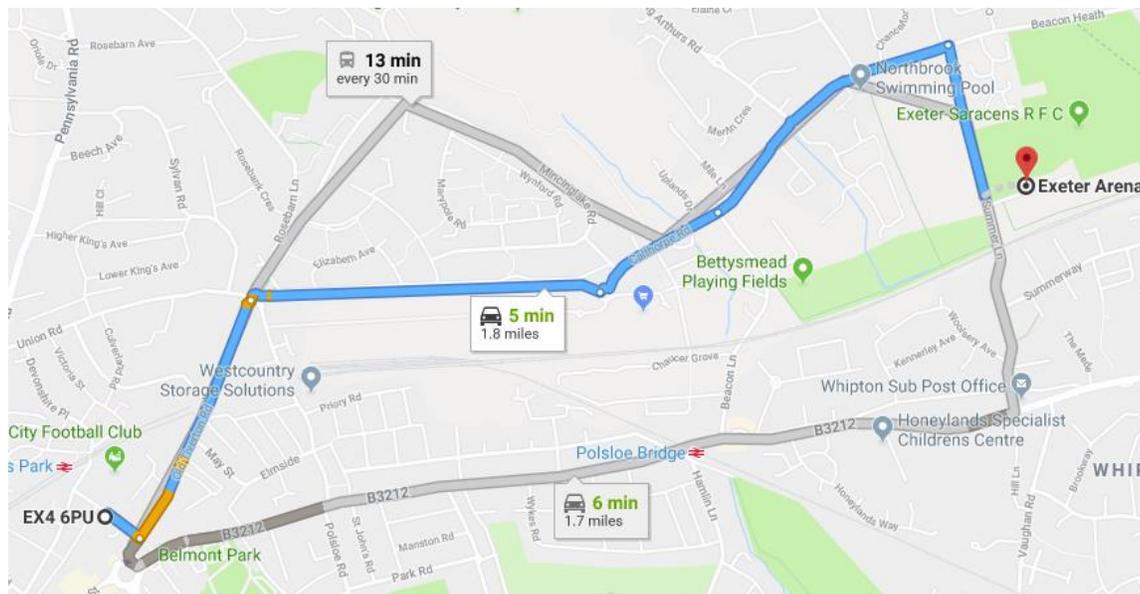

Or (I am suggesting) at the nearby Exeter Arena. The Arena can be contacted on 01392 468 653. Out of the Athletic season there is substantial coach parking at the far end on the car park.

These are the coordinates for coach drivers:

Please note coach arrangements for dropping off at the ground.

TEAM COACH and VISITING SUPPORTERS COACHES

Please use post code EX4 6PU for director's car park, away end and changing rooms. In order that players, staff, kit and supporters can safely disembark pavement side will all coaches please face upwards in St James Road outside the Stadium.

From the roundabout it will mean a short journey driving down Old Tiverton Road, first right left into St James' Road. Straight down St James Road and perform a forward backward movement at the bottom of the road in Wells Street

Your supporters are probably aware that there are no rail or bus services on Monday.

For accommodation I can recommend <http://www.visitexeter.com> and of course Trip Advisor and the usual search engines. If your supporters are looking for quality I can suggest: <http://www.deerparkcountryhotel.co.uk> and <http://www.woodburypark.co.uk/>. The later was used by Man U for their visit and a large proportion of L2 teams seem to use Mecure Southgate. To be fair fans seem to head for Holiday Inn or the nearby Jury's Inn.

Any complimentary tickets left by the players can be collected from the Away Ticket Booth in St James Road.

If the weather looks like making the game doubtful you are welcome to ring me on the number below so that you can cascade information to your travelling supporters.

If you experience any difficulties on the day please do not hesitate to let me know.

Once again we look forward to welcoming your fans to the South West.
